About Ragno Ceppo Collection

Contemporary textures transfer the beauty of an ancient Italian stone to extremely versatile porcelain stoneware floor and wall tiles, with indoor and outdoor solutions that share a sophisticated aesthetic. With the 3D Ink technology, surfaces acquire tactile depth and a soft, attractive 'feel', bestowing genuine sensory pleasure.

About Ragno Ceppo Collection

The porcelain stoneware collection accurately replicates the appearance of Ceppo di Gré stone, characterised by included pebbles of different sizes that add interest to its neutral background. Four colors, in two cold and two warm shades, are offered in the new large 90x180 size, as well as in 120x120, 60x120 and 60x60 cm. Realstone_Ceppo is also available in structured version with thickness of 9 and 20 mm to enable matching indoor-outdoor installation.
